

Dear Parents/carers,

As part of our Autumn Harvest celebration this year, the children have suggested we support families in the local area by making donations to the local Food Bank. We know that the last couple of years has been a difficult one for many of our own families therefore we ask that you only make a donation if you are able to.

Please choose one or more items from the list below to bring into school.

- Tea
- Coffee
- Long life milk or juice
- Jam/marmalade
- Sponge puddings
- Rice
- Sauces in jars
- Tinned fish
- Tinned vegetables
- Tinned fruit
- Tinned meat
- Biscuits
- Toiletries

Children should bring their items and put them in the baskets by the front entrance.  
Thank you in advance for your generosity and support.
