

The weather forecast looks good so **Sports afternoon will be this Friday** and parents/carers are welcome to **join us from 1.30pm**. The children should come to school in their PE kits and they will need water bottles and sun cream. Please make sure all jewellery is removed.

The children will be put into teams (red, blue & yellow) but they will compete in the events with their class and their scores will contribute to their team score. The plan below shows where each of the classes will start their events so you can decide where to position yourself. You can then follow the class round to the different events. Please stand on the outskirts of the field as the children will be in the middle.

When the sports afternoon is finished the children will go back into school to collect their belongings. Parents and Carers should make their way to the yard and the children will be brought out as soon as possible.

Reminder – any unwanted uniform which is still in good, wearable condition can be donated to school on **Monday 11th July** as the children can wear PE kits until the end of term. The donated items will be available in the last week of term for anyone who would benefit.

Year 6 Leavers Assembly

Parents and Carers of children in Year 6 are invited to join us at **2pm on Wednesday 20th July** for their final assembly. I would love to tell you what this will involve, but I am told that the children have come up with a number of ideas themselves and it's a big secret!
