4th May 2023

Dear Parents and Carers,

Thank you for joining us today for the King's coronation. I'm so pleased it stayed dry and we could enjoy some time outside too!

Just before the weekend gets started I wanted to share some reminders and, as a result of reviewing some of our practices, we will be reintroducing our one-way system when you collect your children. So, from next week, please could you help us with the following:

- At home time, parents should enter by the pedestrian gate, collect your children from the yard and leave by the car park gates.
- It is very important that you let us know in advance if someone else is collecting your child and we will make checks if this has not happened before we let your child go.
- Please remind your children that scooters and bikes should not be ridden until they are off the school site (this includes the carpark).
- Younger children need to stay with their adults and should not be playing with the equipment
- Care should be taken walking through the car park and the children should not be near the cars
- Please also remind the children that they are on a road as soon as they leave the gates and therefore should check for cars

We also have a number of children arriving late. The gates open at 8.45am and all children should be in before the gates close at 8.50am.

Finally, pick up time is 3.15pm. Please be on time and let us know if you are running late so that we can let your child know.

Have a lovely long weekend and thank you for your support. See you on Tuesday.

R. Cook

Headteacher
